Tuesday night merit badge – Fire Safety is being explored. Dan offered to do part. Linda will check with guys from Troop 24 who are on the Kennett Fire Company for assistance. Our back up will be Pulp and Paper.

Provisional Leaders: Kirk is currently working on contacting old leaders and recruiting new ones Chuck reported.

Shirts/patches: Linda reported a conversation with Ray Hayden about our shirts and patches. We need limit our colors used in the shirts. Ken reported that in the past, he was limited to three colors. Chuck reports limiting to four colors. We also need to design the camp patch. Linda reported asking Ray for the radio segment since we didn't get them last year. After a brief discussion it was determined that we only need 100, at most, and only need one background color.

Theme: We discussed at the last meeting “All Charged Up” or “Explore Our World and Our Galaxy”. Will discuss more at next meeting.
